MINISTER'S MESSAGE

The Hon James Merlino MP
Deputy Premier
Minister for Education
Minister for Mental Health

I was so sorry that this year's Victorian State Schools Spectacular could not go ahead. I know it was another disappointment on top of so many you've experienced over the past couple of years.

Yet, despite everything, you have learned so much about preparing for a major performance. You've all put so much work into rehearsals and perfecting your craft — in person — when you could — and online.

Whether you're a musician, dancer, singer, comedian, circus performer, skater, audio, video, or lighting crew member — you've all gained invaluable experience. You've shown outstanding resilience and versatility throughout challenging circumstances. You have every reason to be very proud of your achievements and I congratulate every one of you.

I also want to thank your teachers, your parents, the industry professionals, and everyone who has supported and encouraged you over the past year.

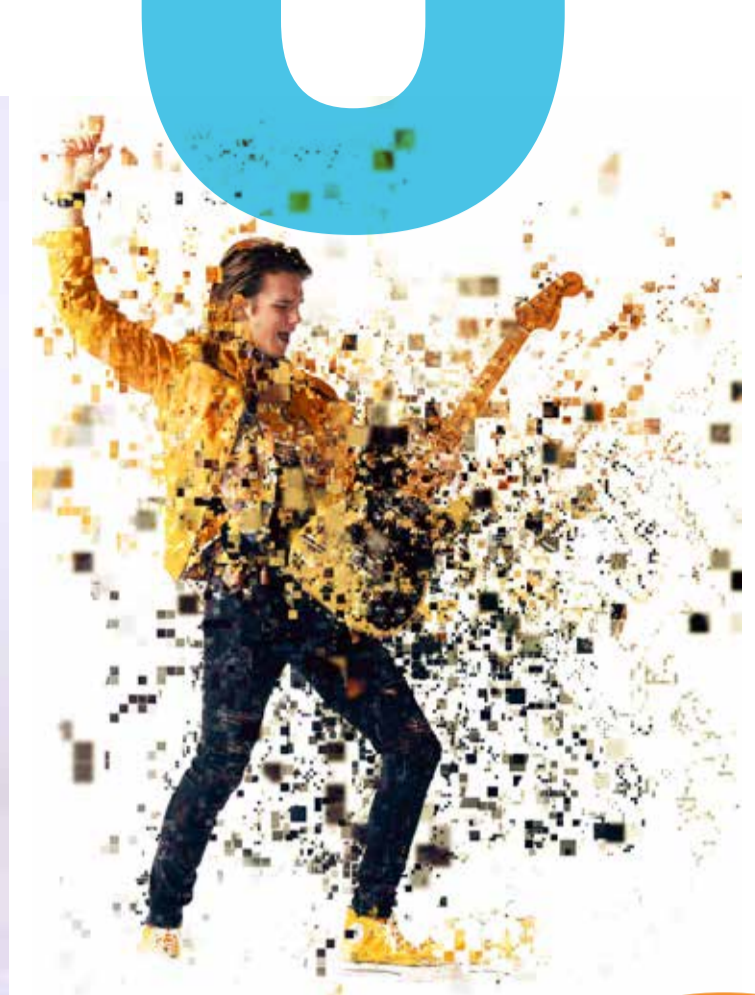

This electronic souvenir Spectacular Yearbook recognises your hard work, perseverance, and triumphs. The Yearbook captures images and videos of all the student cast and crew over the past months of preparation and is freely available online.

Plans for the 2022 Spectacular performing arts program are already underway.

There is so much talent in our schools. I encourage you to get involved in what is the absolute highlight of the Victorian school year — and let your talent shine.

My family and I look forward to cheering you on in the audience at next year's Spectacular.

It really is your opportunity to realise the 2021 Spectacular theme and finally Live Loud!

ACKNOWLEDGMENT OF COUNTRY

The Department of Education and Training's Performing Arts Unit studios are located on the lands of the Wurundjeri people of the Kulin Nation. The Department of Education and Training and the Victorian State Schools Spectacular team acknowledges the Traditional Custodians of all the lands on which we worked, trained and performed across Victoria to prepare for the 2021 Spectacular and pay our respects to their Elders past and present. First Nations people were the first artists and storytellers on this land.

Spectacular 2021 Year Book pictures

Throughout 2021, government restrictions to prevent the spread of COVID-19 were in place, and varied throughout the year, including periods of lockdown. All pictures in this Year Book reflect this, with in person as well as virtual rehearsals, as well as changing requirements for mask wearing. All pictures were compliant with government requirements at the time they were taken.

CREATIVE TEAM

Neill Gladwin, Creative Director

Award winning performer and director (Green Room Award and International Perrier Awards), Neill's career encompasses Olympic and Paralympic Games ceremonies, comedy, physical theatre, opera, Shakespeare, films and television.

Formerly half of internationally renowned comedy duo Los Trios Ringbarkus, Neill has directed productions for many of Australia's major subsidised theatre companies, independent theatres and commercial presenters, as well as produced and executive produced for film and television.

Message from the Creative Director:

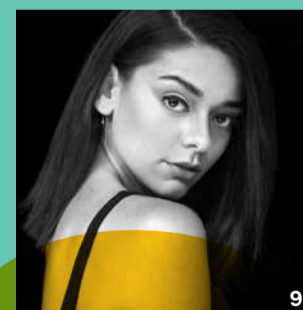

In a time where the only constant is change, to taste and savour focus, dedication and resilience in one's life can be resounding.

The cast and crew of the Victorian State Schools Spectacular 2021 have brought that focus since their first audition or expression of interest in November 2020. They have dedicated themselves to working towards an outcome of ensemble creation and performance across nine months, never faltering, but keeping their eyes on their performance goal.

Instead, that goal in 2021 taught us that great shows are not made in the last minute, but in every rehearsal stroke of the bow, in every sung note found or lost, in every explosion of the physical as the cast honed their skills week by week.

Nothing was lost. Every moment, every learning gained by artists young and older involved in the Spectacular was a moment to be kept forever. Nothing was lost because this work will feed each and every one of us to our future goals.

Today change is the constant, but this too will pass. Live Louder!

BEHIND THE SCENES

Through the Victorian State Schools Spectacular, students from government schools are provided with invaluable experience and unique opportunities to work with some of the industry's leading award-winning professionals behind the scenes on audio, lighting and video production, stage management, costuming, hair and make-up.

Students interested in technical disciplines participate in a structured program of factory workshops with our suppliers as part of their preparation for production week at John Cain Arena. Stage Management students also spend many months attending rehearsals under the guidance of our team of industry professionals.

BE SPECTACULAR

Audition for the 2022 Victorian State Schools Spectacular

Every year thousands of students from Victorian government schools take part in one of the largest performing arts events in Australia – a song and dance extravaganza – the Victorian State Schools Spectacular.

In Term 4 we begin looking for talented government school students who can sing, dance, play an instrument, beat box, roller blade or even rap, to audition for a role in the principal cast.

We are also looking for students who might be interested in behind-the-scenes roles in audio, lighting, video and camera, stage management, costume making, make up, photography, marketing and publicity.

Students benefit from the unique opportunity of working with industry professionals across all disciplines, as well as the amazing experience of working towards a live and/or television broadcast performance.

For more information, please call the Performing Arts Unit on (03) 9415 1700 or visit our website www.education.vic.gov.au/spectacular or Facebook page www.facebook.com/performingartsunit
