## Advice

- 1 The Victorian Independent Remuneration Tribunal (Tribunal) advises WorkSafe Victoria (WorkSafe) that an appropriate total remuneration package (TRP) for an executive in the position of Director, Premium and Self Insurance is within the PESES-1 remuneration band (\$207,116 - \$267,445 per annum).
- 2 The Tribunal considers the TRP to be appropriate for the following reasons:
  - (a) The functions and responsibilities of the position, reflected in the work value assessment provided to the Tribunal.
  - (b) The skills, knowledge and experience that are relevant to the position.
  - (c) The limited available information provided about relevant labour market conditions and competition for executives with the skills, knowledge and experience required for the position.
  - (d) The remuneration benchmarking analysis available to the Tribunal, including relativities within WorkSafe.
- 3 However, as this is a reappointment, the Tribunal considers that an appropriate TRP for the incumbent in the position is \$285,449 per annum, which exceeds the maximum of the relevant remuneration band. This advice is specific to the incumbent and recognises that it would not be appropriate to offer a reduced TRP for this proposed reappointment.
- 4 The Tribunal notes that its advice must be sought again for a mid-contract remuneration adjustment, reappointment or a new appointment, if it is proposed to continue paying the executive above the maximum of the remuneration band.
