10.2 SCPFPs

The Scheme Coordinator must pay any SCPFPs as follows:

- (a) the Scheme Coordinator must deduct from any amount to be paid to itself under clause 3(c) the amount of any SCPFP that has not previously been paid and must pay the amount so deducted from the Scheme Payments Account as follows:
 - (i) to the State, less any amount referred to in clause 10.2(a)(ii) at the same time it pays itself, or, but for this clause 10.2(a) would have been required to pay to itself, under clause 3(c); and
 - (ii) to the Network Operator, any amount of the SCPFP that:
 - A. is required to be paid to the Network Operator under clause 16.5 of the Network Agreement; and
 - B. the State agrees to pay to a Network Operator under clause 14.2 of the Network Operator Agreement

to the Network Operator at the same time as the Scheme Coordinator pays, or but for this clause 10.2(a) would have been required to pay, the State pursuant to clause 10.2(a)(i),

in full or partial satisfaction of its obligation to pay the SCPFP to the State.

- (b) Any SCPFP that has not been paid as at the time of termination or expiry of the Scheme Coordinator Agreement becomes a debt immediately due and payable by the Scheme Coordinator to the State at that time. The Scheme Coordinator must pay the amount of any Tax Invoice issued by the State in respect of a SCPFP after termination or expiry of the Scheme Coordinator Agreement as a debt due and payable within 20 Business Days of the receipt of the Tax Invoice.

10.3 NOPFPs

- (a) The State may issue the Network Operator with a Tax Invoice for the amount of any NOPFP (which the Network Operator must pay to the State in accordance with the Network Operator Agreement). The State will provide the Scheme Coordinator with a copy of all Tax Invoices for the NOPFPs.

- (b) The Scheme Coordinator must, at the same time as it makes a payment under clause 8(e) in relation to a Payment Certificate in respect of which a deduction under clause 8(c)(ii) has been made, pay from the Scheme Payments Account an amount equal to the amount so deducted as follows:

- (i) to itself:

- A. any amount that is required to be paid to itself under clause 16.5 of the Network Agreement that has not previously been paid; and

- B. any amount of the NOPFP that the State agrees to pay to the Scheme Coordinator in accordance with clause 14.2 of the Scheme Coordinator Agreement that has not previously been paid.

(together “**Scheme Coordinator Adjustments**”), and

- (ii) to the State the amount so deducted under clause 8(c)(ii) less the Scheme Coordinator Adjustments,

in full or partial satisfaction of the Network Operator’s obligation to pay the NOPFP to the State.

- (c) The payment by the Scheme Coordinator of the amount of a Scheme Coordinator Adjustment is taken to be a payment to the Scheme Coordinator under clause 16.5 of the Network Agreement and/or the payment of an amount of the NOPFP that the State agrees to pay to the Scheme Coordinator in accordance with clause 14.2 of the Scheme Coordinator Agreement (as the case may be).
- (d) Any NOPFP that has not been paid as at the time of termination or expiry of a relevant Network Operator Agreement becomes a debt immediately due and payable by that Network Operator to the State at that time. That Network Operator must pay the amount of any Tax Invoice issued by the State under clause 10.3(a) after termination or expiry of the Scheme Coordinator Agreement as a debt due and payable within twenty (20) Business Days of the receipt of the Invoice.
