- B. Section 3.1.2(1) of the Act provides for the Secretary to:
 - a) enter into a VET funding contract with a registered training organisation in relation to the provision by the registered training organisation of vocational education and training that is funded wholly or partially by the State; and
 - b) make payments to registered training organisations that provide or intend to provide vocational education and training on any terms and conditions the Secretary thinks fit.
- C. An individual has a guaranteed place in a government-subsidised program of training if they meet, and the program of training meets, the criteria set out in section 1.2.2(2)(e) of the Act.
- D. The Skills First Program is the way that registered training organisations are contracted in Victoria to deliver government-subsidised training to individuals. We refer to contracted registered training organisations as training providers.
- E. By accepting a VET Funding Contract, you have represented that you will comply with the requirements of the Skills First program. This includes your agreement that:

 - b) you have carried out all relevant investigations to acquaint yourself with your contractual obligations.
- F. The purpose of each VET Funding Contract is to set out the conditions under which the Department will provide funding, and that training providers must meet, including:
 - a) providing quality training suitable for each individual so it enables them to be:
 - i) skilled to be job-ready;
 - ii) prepared for further education; and/or
 - iii) given access to training if they are disadvantaged learners;
 - b) record-keeping, reporting and auditing to maintain high standards of probity and accountability in the use of public funds; and
 - c) meeting the Department's expected standards of behaviour and practice.

13.1 You are solely responsible for carrying out your obligations under this Contract and we are in no way liable for your actions or those of your Personnel.

13.3 To the maximum extent permitted by Law, you indemnify (and must at all times keep indemnified) us, the State and employees, servants and agents of us or the State (on behalf of whom we have agreed this Clause 13.3) from and against all Loss incurred or suffered by, and all Claims made by any third party against, us or them arising out of or in connection with:

- 15.3 Despite the existence of a Dispute, the Parties must continue to perform their obligations under this Contract.
- 15.4 This Clause 15 does not limit or otherwise affect our rights, which includes all of our rights under, this Contract, including our right to terminate it.
- 15.5 If a Party gives a Dispute Notice under this Clause 15, it is open to either Party to give a Notice of any other issue or dispute connected with the initial Dispute, and all other issues or disputes raised shall be deemed to have been included in the initial Dispute Notice.
- 15.6 If a Dispute Notice has been given by a Party and that Dispute is the subject of the Dispute resolution process under this Clause 15, neither Party may give a further Dispute Notice which commences a new Dispute resolution process for that Dispute without the consent of the other Party. A Party seeking to give a further Dispute Notice or Dispute Notices must provide evidence to the other Party as to why the new issues that it wishes to raise cannot be managed as part of resolving the current Dispute, and that the Dispute which warrants the giving of a further Dispute Notice is clearly distinguished from, or does not arise as a result of, the Dispute resolution process that was commenced by the initial Dispute Notice.

- 15.12 If we refer a Dispute to mediation:
- a) the mediation will be conducted in accordance with the ADC's Guidelines for Commercial Mediation operating at the time the Dispute is referred to ADC;
 - b) the Parties must (unless they agree otherwise) conduct the mediation within 14 days of the mediator being appointed;

 - d) the cost of the ADC and the appointed mediator will be shared equally between the Parties.
- 15.13 We may notify the Minister of any Dispute.
- 15.14 In the event that we refer the Dispute to mediation and the Parties are unable to resolve the Dispute in accordance with Clause 15.12, or the Dispute is not referred to mediation, then we may refer the Dispute to the Secretary or the Secretary's nominee for determination. A decision made under a referral in accordance with this Clause 15.14 will be final and binding on both Parties.
- 15.15 This Clause 15 does not apply to a Dispute arising under Clause 11 or Clause 17 or Clause 11 of Schedule 1.

16. ENFORCEMENT

- 16.1 We may take one or more of the actions in Clause 16.2 if:

 - c) you have breached an obligation to make a payment to us in relation to any earlier agreement between the Parties under the Skills First Program, the Victorian Training

Guarantee Program and/or the Skills for Victoria Program, whether or not such amounts comprise a refund of funds we previously paid or any interest, penalty, or other moneys.

16.2 If we are entitled to do so under Clause 16.1, we may issue a Notice to:

- a) direct you to suspend part or all of the provision of Training Services under this Contract (whether for one individual, a group of individuals or all individuals);
- b) withhold or suspend payment of any part of the Funds we determine is appropriate until we are satisfied that you are entitled to be paid those Funds under this Contract;
- c) cancel your entitlement to any part or all of the Funds you have been paid or have claimed;

16.4 For the purposes of this Clause 16, we may exercise any of our rights under Clause 16.2(a) to (f) or Clause 16.3 as if you have breached (or we reasonably suspect you have breached) an obligation under this Contract for a population (or proportion of that population) for whom you have claimed Funds if:

- a) we have a reasonable basis to believe that a breach of an obligation under this Contract has occurred in relation to a number of individuals in a sample from the population;
- b) that sample of individuals was randomly selected; and
- c) that number of individuals from the sample, and that sample, are each of such a size that it is statistically valid for us to make the extrapolation to the population of individuals.

- 16.5 Where we require a payment from you under Clause 16.2 and have not recovered that amount under Clause 8.9, you must pay the amount due within 30 days, or such other timeframe we specify.
- 16.6 To avoid doubt, where you are required to pay a monetary amount to us in accordance with Clause 16.2(e) as a result of:
- a) a breach of this Contract;
 - b) a failure to meet a performance requirement specified in this Contract which does not fall within subclause (a); or
 - c) termination of this Contract,
- you will (as set out in section 3.1.4 of the Act) be obliged to make payments despite anything to the contrary in a rule of, or principle at, common law relating to liquidated damages or penalties.

 - c) you commit a breach of this Contract (whether or not it is a Material Breach) and you:
 - i) fail to commence action to remedy the breach within 10 Business Days after we have served a Notice requiring you to do so; or
 - ii) having commenced action to remedy the breach, fail to complete that action as soon as possible and in any event within 20 Business Days of our Notice;

- 4.5 You must not enrol a Skills First Student in a program that is at an inappropriate level for that individual, including in Foundation Skills Programs that would not provide additional relevant competencies.
- For example, it would be inappropriate to enrol an individual assessed at Australian Core Skills Framework Level 3 in all core skills areas in either Certificate I in General Education for Adults or Certificate II in Skills for Work and Vocational Pathways.
- 4.6 If an audit reveals that any Pre-Training Review has not been completed and documented in accordance with Clauses 4.1 to 4.5 of this Schedule 1, then (without limiting the circumstances in which we may exercise such rights) we may exercise our rights under Clauses 16 and 17 of this Contract.

- 4.7 For the purpose of exercising our rights under Clause 16.2(e) of this Contract in the circumstances set out in Clause 4.6 of this Schedule 1, the monetary amount will be \$200.00 per absent, incomplete or inadequate Pre-Training Review.

6. PLANNING FOR TRAINING AND ASSESSMENT

Training and assessment strategy

- 6.1 You must have a training and assessment strategy, whether in a single document or in several separate documents. This must detail how you plan to deliver training and assessment that is consistent with Standards 1.1 to 1.8 and 2.3 of the Outcome Standards for:
- a) each program you deliver on the Funded Scope;
 - b) each cohort you will deliver the program to.

- 7.1 You must deliver training and assessment in programs on the Funded Scope in accordance with the relevant training and assessment strategy, the requirements of the relevant Training Package or accredited course and Regulatory Standards.

Training delivery where other regulatory requirements apply

- 7.2 If any additional requirements in Regulatory Standards or other Laws apply to specific programs or types of training on the Funded Scope, you must comply with those requirements, including:
- a) for training delivered to Apprentices/Trainees, the requirements of the Act and the Guidelines About Apprenticeship/Traineeship Training Delivery; and

8. PRACTICAL PLACEMENTS

- 8.1 If a Skills First Student is to undertake a Practical Placement, you must enter into a written Practical Placement agreement.
- 8.2 The Practical Placement agreement must be made before the Skills First Student commences the Practical Placement and must be signed by:

PART B

9. EVIDENCE OF PARTICIPATION

- 9.1 You must document Evidence of Participation at the subject level for all programs on the Funded Scope that are delivered to Skills First Students.
- 9.2 You must document Evidence of Participation for each subject in a way that enables us to make a reasonable judgement about a Skills First Student's participation in learning and/or assessment.
- 9.3 We will determine if Evidence of Participation provided is sufficient to substantiate the claim that a Skills First Student participated in learning and/or assessment.
- 9.4 To be valid, Evidence of Participation must contain:
- a) the Skills First Student's name or client identifier;
 - b) a subject identifier; and
 - c) a date expressed in day/month/year format.
- 9.5 The number of items of Evidence of Participation that you must document and maintain for each subject is as follows:

If:	you must document and provide:
a) the period between the Activity Start Date and Activity End Date (inclusive) for the subject is 30 days or fewer	one item of Evidence of Participation;
b) the period between the Activity Start Date and Activity End Date for the subject is more than 30 days	two items of Evidence of Participation in compliance with the following conditions: i) one item must be dated no later than 30 days after (and no earlier than) the reported Activity Start Date; and ii) one item must be evidence of assessment for the subject as specified in Clause 9.7(d) of this Schedule 1;
c) the subject has an RPL outcome, regardless of the period between the Activity Start Date and Activity End Date	one item of Evidence of Participation which must be evidence of assessment for the subject, as specified in Clause 9.7(d) of this Schedule 1;
d) the subject has a withdrawn outcome, regardless of the period between the Activity Start Date and Activity End Date	one item of Evidence of Participation; or
e) the subject is a Literacy and Numeracy Support Unit, regardless of the period between the Activity Start Date and Activity End Date	one item of Evidence of Participation.

9.6 To avoid doubt, when a Skills First Student transfers to a superseding subject, the superseded and superseding subjects are treated as a single subject for the purposes of maintaining Evidence of Participation.

9.7 The only items of Evidence of Participation we accept are:

Item of Evidence of Participation	Explanation and minimum requirements
a) Evidence of work submitted by the Skills First Student relating to engagement in the subject	This must be the work itself, or a copy if this is not possible. If the information required under Clause 9.4 of this Schedule 1 (student name or client identifier, a subject identifier and a date expressed in day/month/year format) cannot be recorded on the work itself, separate evidence must be provided to link the work to the Skills First Student, and the subject and date it was completed. For example, a delivery schedule (timetable, lesson plan or equivalent) detailing how the piece of work covers the subject in question, including due dates and milestones for completion of the work.
b) Skills First Teacher notes based on communication between the Skills First Teacher and Skills First Student, establishing their engagement in the learning and/or assessment activity of the subject	This includes personal interviews, two-way telephone conversations or e-mail exchanges, or other communication about the Skills First Student's engagement in learning and/or assessment activity of the subject. It may include reference to notes from another person working alongside the Skills First Teacher, for example an industry expert or workplace supervisor.
c) An attendance roll endorsed by you and showing that the Skills First Student attended a training session related to the subject.	The attendance roll must: i) be recognised by you as a tool to record attendance used as part of your normal processes; ii) be accompanied by additional evidence to show how information is entered, updated and interpreted if the attendance roll is kept electronically; iii) be signed by the Skills First Teacher who conducted the training session, and show their name; iv) include the date of the training session; and v) show what subject was delivered at the point at which the Skills First Student is marked on the roll as having attended. For clustered delivery (where a training session or assessment activity covers more than one subject), we may request additional evidence to show what subjects were delivered in each training session, such as a delivery schedule (a timetable, lesson plan or equivalent), to verify that the attendance roll provides sufficient Evidence of Participation.

Item of Evidence of Participation	Explanation and minimum requirements
	Where a Skills First student has only attended the first class of a program, an attendance roll for a subject delivered in that class is not sufficient Evidence of Participation, unless you provide supporting documentation demonstrating that there was engagement in the learning and/or assessment activities of the subject indicated on the roll during that class. Attendance at an induction or orientation class alone is not sufficient Evidence of Participation.
d) Primary documentation that provides evidence of assessment for the subject	The documentation must be in the form of a secure record that shows the student has completed the assessment requirements for a subject and indicates an actual result (or results in the case of a number of assessment tasks) consistent with the outcome of an assessment (for example satisfactory/not satisfactory or 'competent/not yet competent'). For example, documentation could include a completed learner assessment tool coversheet or a subject-level assessment summary (or similar) including when viewed in an online learning management system. For all RPL outcomes, only the primary assessment tool used for any skills recognition assessments will be accepted. The documentation must be signed by the Skills First Teacher who made the assessment, to confirm the accuracy of the information.
e) Secure login to an online learning management system and evidence of the Skills First Student's engagement with learning and/or assessment activity required for the subject	Where a Skills First Student has a secure login (meaning they are issued a unique user ID and password) to an online learning management system to undertake learning and/or assessment activity for the subject, you must have: i) a record of the login; and ii) evidence that you have checked with the student that they are continuing to engage in the subject. A login record indicating the Skills First Student received training materials alone is not sufficient Evidence of Participation. Evidence of engagement with learning and/or assessment activity should also be provided, for example participation in a discussion forum, completion of an online quiz, completion of an online reflection task or similar activities.
f) In flexible and distance modes of learning, communication between you and the Skills First Student confirming that the Skills First Student has commenced engagement in learning and/or assessment activity	This must include evidence that you have checked with the Skills First Student that they are continuing to engage in the subject.

Item of Evidence of Participation	Explanation and minimum requirements
g) In extreme circumstances (for example, fire, flood or other equivalent circumstances), a statutory declaration from the relevant Personnel attesting to the Skills First Student's engagement in learning and/or assessment activity	If extreme circumstances prevent you from retaining any of the items of Evidence of Participation in paragraphs (a) to (f), you must contact us for further information and comply with the requirements directed by or agreed with us.

Verifying Evidence of Participation

- 9.8 In undertaking an audit, review or investigation of Evidence of Participation, we may use judgement when a single item of Evidence of Participation is provided to verify participation in more than one subject.
- 9.9 We will not accept documents such as 'catch all' sets of questions as Evidence of Participation in the absence of other evidence of learning and/or engagement in the subject. These sets of questions are typically completed on the first day of an individual's attendance, covering all subjects within the cluster, and are not considered to demonstrate engagement in learning and/or assessment activity.

10. REPORTING TRAINING ACTIVITY, GOVERNMENT-SUBSIDISED TUITION FEES AND OTHER INFORMATION

Data submitted to SVTS must be timely and accurate

- 10.1 You must:
- a) submit accurate and complete Student Statistical Reports to us via the SVTS at least once every calendar month per data collection year;
 - b) include in each Student Statistical Report full details for all training activity already delivered within the data collection year, including government-subsidised and fee for service training activity. This includes delivery already commenced and/or completed in the current data collection year; and reporting of program completions; and
 - c) resubmit correct data by no later than the following month's Student Statistical Report if any data you previously submitted as part of Student Statistical Reports is incorrect.
- 10.2 You must ensure that all required data is included and correct in the final Student Statistical Report for each calendar year into which the Term extends and submit it to us via SVTS by no later than (whichever is the earlier date):
- a) 5pm on the Final Data Submission Date; or
 - b) one month after the expiry of the Term or termination of this Contract.
- 10.3 You must ensure that reporting of key information about a Skills First Student and their program of training is accurate and complete at all times, including through the following data items:

- b) the Delivery Mode Identifier, Outcome Identifier – National, Activity Start Date and Activity End Date as required in the NAT00120 file; and

Data submitted to SVTS must be certified and approved

- 10.4 Before submitting a Student Statistical Report under Clauses 10.1 and 10.2 of this Schedule 1, your CEO (or their nominee) must certify, by confirming through the SVTS submission screen or any other mechanism made available through SVTS, that:
- a) all of the data to be submitted is, to the best of their knowledge, accurate and complete; and
 - b) they have made all reasonably necessary inquiries to satisfy themselves of the accuracy and completeness of the data.
- 10.5 Submitting a Student Statistical Report in accordance with Clause 10.4 of this Schedule 1 means we are entitled to rely on all data contained in it as having been approved by your CEO.

Reporting of the Victorian Student Number

- 10.6 You must comply with VET Provider reporting requirements for the Victorian Student Number (VSN) as specified by the Victorian Curriculum Assessment Authority, and must accurately report the VSN to us in Student Statistical Reports.

Reporting of withdrawals

- 10.7 You must report a Skills First Student's withdrawal from a program or subject in accordance with the requirements in the Victorian VET Student Statistical Collection Guidelines, by the earlier of:
- a) two months after the date of withdrawal; or
 - b) the Final Data Submission Date.

Reporting of Literacy and Numeracy Support Units

- 10.8 You must report Literacy and Numeracy Support Units using the LNSUPPORT program code and in accordance with the requirements set out in the Literacy and Numeracy Support Implementation Guide.

11. DETERMINING AND PAYING FUNDS

Contact Hour Funds

- 11.1 Subject to the conditions and limitations set out in this Contract, we will pay you Contact Hour Funds by:
- a) multiplying the number of Scheduled Hours of training and assessment that you report under this Schedule 1 as delivered, or to be delivered, to a Skills First Student; with
 - b) the sum of:
 - i) the applicable hourly rate per Scheduled Hour as identified in Clause 11.2 of this Schedule 1; and

- ii) for training activity between 1 January 2024 and 31 December 2025, an amount equal to 10% of the relevant rate specified in either the 'Subsidy' or 'RPL Subsidy' field of the Funded Programs Report.

11.2 The hourly rate per Scheduled Hour is the rate specified in either the 'Subsidy' or 'RPL Subsidy' field of the Funded Programs Report (for the relevant payment year, Program Commencement Date and Enrolment Type), adjusted for the following loadings where applicable (including in accordance with Clause 11.3 of this Schedule 1):

- a) **Indigenous loading** – where the Skills First Student self-identifies as being of Aboriginal or Torres Strait Islander descent (and is reported as such through the 'Indigenous Student Identifier' field of the Student Statistical Report) the 'Subsidy' or 'RPL Subsidy' will be increased by 50%;
- b) **Disengaged youth loading** – where the Skills First Student:
 - i) is aged 15-19 years as at 1 January in the year of commencement of training;
 - ii) does not hold a senior secondary certificate or an accredited qualification at AQF level II or above; and
 - iii) is eligible for a Fee Concession or a Skills First Aboriginal Access fee waiver in accordance with the Guidelines About Fees.the 'Subsidy' or 'RPL Subsidy' will be increased by 30%;
- c) **VCE and VPC loading** – where the Skills First Student:
 - i) meets the requirements for the Disengaged Youth loading in subclauses (b)(i) and (ii); and
 - ii) is undertaking training in the VCE or the VPC, for subjects reported against the VCE or VPC program codes,the 'Subsidy' or 'RPL Subsidy' will be increased by 10%; and/or
- d) **Regional loading** – where a subject is delivered to a Skills First Student in a delivery location reported with a regional or remote postcode (as determined by us), the 'Subsidy' or 'RPL subsidy' will be increased by 25% in the case of a regional postcode and 30% in the case of a remote postcode.

The regional loading does not apply to online training and assessment or to distance education, which is deemed have occurred if the Predominant Delivery Mode reported is 'E' (external delivery).

11.3 If more than one of the loadings in Clause 11.2 of this Schedule 1 applies, we will apply the loadings cumulatively. For example, if the conditions for both the Indigenous Loading and the Regional Loading are met, the hourly rate would be increased by 50%, and then that increased rate would be increased by a further 25% (or 30% in the case of remote postcodes).

11.4 Where a Skills First Student withdraws from a subject, we will calculate Contact Hour Funds for their enrolment in that subject based on the Hours Attended, not the Scheduled Hours.

Fee Concession Contribution

- 11.5 We will pay a Fee Concession Contribution where you have:
- a) granted a Fee Concession to a Skills First Student in accordance with the Guidelines About Fees; and
 - b) reported that Fee Concession in accordance with the Victorian VET Student Statistical Collection Guidelines.
- 11.6 We will calculate the Fee Concession Contribution amount payable by:
- a) multiplying the number of Scheduled Hours for which you are entitled to be paid Contact Hour Funds for the Skills First Student; with
 - b) the lesser of:
 - i) four times the actual hourly tuition fee paid by the Skills First Student as reported by you via the Client Tuition Fee field of the Student Statistical Report; or
 - ii) the 'Maximum Fee Concession Contribution per hour' for the Program, Enrolment Type and relevant concession type as identified in the Funded Programs Report.

Fee Waiver Contribution

- 11.7 We will pay a Fee Waiver Contribution where you have:
- a) granted a Fee Waiver to a Skills First Student in accordance with the Guidelines About Fees; and
 - b) reported that Fee Waiver in accordance with the Victorian VET Student Statistical Collection Guidelines.
- 11.8 We will:
- a) calculate the Fee Waiver Contribution for Fee Waivers granted in accordance with Clause 16 of this Schedule 1 (**Free TAFE for Priority Courses initiative**) by:
 - i) multiplying the applicable 'Free TAFE Contribution per Hour' (fixed value) for the program (as identified on the 'Free TAFE Fee Waiver Reimbursement Schedule'); with
 - ii) the number of Scheduled Hours for which you are entitled to be paid the Contact Hour Funds for the Skills First Student,

and, where a subject is delivered in a delivery location reported with either a regional or remote postcode (as determined by us), adding a Free TAFE Fee Waiver regional loading of 25% or 30% respectively.

The Free TAFE Fee Waiver regional loading does not apply to online training and assessment or to distance education, which is deemed have occurred if the Predominant Delivery Mode reported is 'E' (external delivery); and

- b) calculate **all other Fee Waivers** by:
 - i) multiplying the number of Scheduled Hours for which you are entitled to be paid Contact Hour Funds for the Skills First Student; with
 - ii) the applicable 'Fee Waiver Contribution per Hour' (fixed value) for the program (as identified on the Funded Programs Report).

Payment of Funds

- 11.9 We will pay you Contact Hour Funds monthly in arrears based on the Student Statistical Reports you submit to us in accordance with this Contract.
- 11.10 We will calculate Contact Hour Funds at the subject level, and you will be paid for the Scheduled Hours reported for the subject in equal instalments over the number of months of scheduled delivery. Each monthly instalment will be for a whole number of Scheduled Hours. If the total number of Scheduled Hours divided by the number of months of scheduled delivery is not a whole number, we will apportion payment in a reasonable manner we determine.
- 11.11 If you deliver a program to a Skills First Student and, in our view:
 - a) you have another program on the Funded Scope that would meet the needs of the Skills First Student;
 - b) a lower subsidy applies to the other program (as listed on the Funded Programs Report); and
 - c) payment of the Funds would not be contrary to Clause 11.26 of this Schedule 1 (claims for Funds cannot be made for training and assessment inconsistent with packaging rules or vocational intent),then we may:
 - d) calculate the Funds to be paid based on the other program; and
 - e) re-calculate any Funds already paid based on the subsidy that applies to the other program, and take other action as we see fit in respect of any difference between the amount paid and the re-calculated amount.

Relationship between reporting and payments

- 11.12 We are only liable to pay Funds to you for training activity that you report in accordance with Clause 10 of this Schedule 1.
- 11.13 When you lodge a Student Statistical Report, it is considered to be a claim for payment and constitutes a representation that you:
 - a) have delivered the reported hours of training and/or assessment in accordance with this Contract;
 - b) have Evidence of Participation in accordance with this Contract for each Skills First Student; and
 - c) are otherwise entitled to payment for those hours of training and/or assessment under this Contract.

- 11.14 We are not liable to pay Funds for a subject unless you have created a valid claim for payment for that subject within 60 days of the Activity Start Date. A valid claim for payment is created when you have lodged one or more Student Statistical Report(s) for a subject where the record for that subject in the SVTS has passed validation rules consistent with the requirements of this Contract and has not been assigned a validation error.
- 11.15 We may recover any Funds paid for any relevant subject where no valid final 'Outcome identifier – National' is reported after the Activity End Date, by the earlier of:
- a) 90 days after the Activity End Date; or
 - b) the Final Data Submission Date.
- 11.16 Where Funds are recovered under Clause 11.15 of this Schedule 1, if a valid final 'Outcome identifier – National' is subsequently reported for that subject by the Final Data Submission Date, then we will pay you Funds to which you are entitled. We are not liable to pay any Funds for a subject under these circumstances after the Final Data Submission Date.
- 11.17 Where you change any of the data reported for a subject in a Student Statistical Report and that change causes the total amount of Funds payable, and/or the amount of any instalment of Funds calculated under Clause 11.10 of this Schedule 1, to be either higher or lower than the amount calculated using the data in the earlier report, then:
- a) **if the amount is higher**, we will (subject to our other rights under this Contract) adjust the Funds so that you receive the correct total amount by the date of payment for the reporting period in which the relevant Activity End Date occurs (or as soon as reasonably possible thereafter). This will take place in a manner determined by us (which may or may not involve a change in the amount of Funds paid for any outstanding payment that exists at the time the Student Statistical Report containing the updated data is submitted); or
 - b) **if the amount is lower**, (without limiting Clause 8.8 of this Contract) we may recalculate the amount of Funds due at any time (including by recalculating the amount payable as a result of any claims you have already submitted) and determine that the amount of any overpayment of Funds is a debt due to us under Clause 8.8 of this Contract.
- 11.18 You must ensure Student Statistical Reports reflect actual training activity that is supported by Evidence of Participation and must not make a claim for payment for training activity that has not occurred (or is not reasonably expected to occur) within the reported Activity Start Date and Activity End Date. For example, you must not report:
- a) an Activity Start Date for a subject that is before its actual commencement so that you are paid in advance; and/or
 - b) an Activity End Date for a subject that is before its completion so that you are paid in full before completion.
