

Child Link User Training for Education Workforces

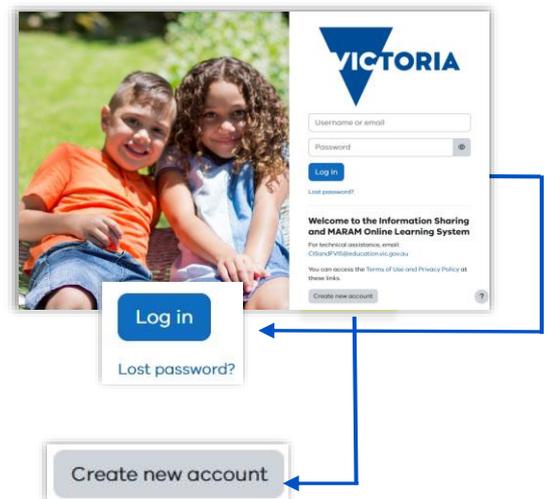

How to access the Information Sharing and MARAM Online Learning System (online learning system) and enrol in Child Link User training.

Accessing the online learning system

- ▶ Go to <https://training.infosharing.vic.gov.au>

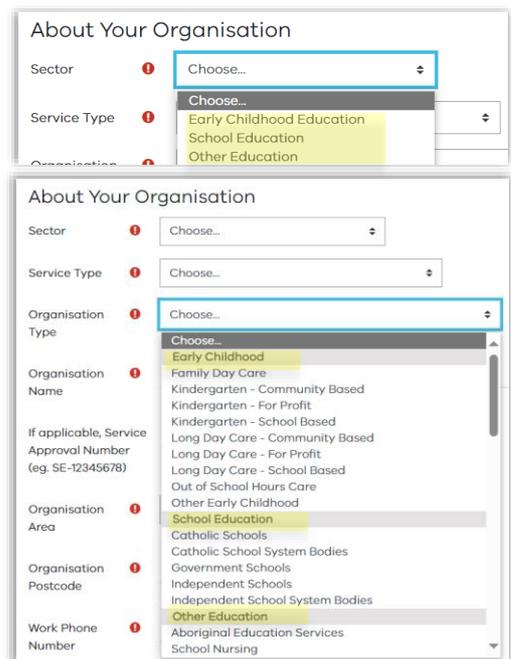

Option 1: Log in to your existing account

- ▶ If you have previously used the online learning system to complete other courses, you will be able to use your existing log in to enter the system.
- ▶ If you have forgotten your log in details, please click the 'Lost password?' link under the Log in button.

Option 2: Create a new account

- ▶ Click the 'Create new account' button.
- ▶ This will take you to a **New account** page.
- ▶ You must fill in all fields with an exclamation mark !
- ▶ First, choose a username and password in line with the instructions on screen. We recommend using your email address as your username.
- ▶ Please note when completing the **About Your Organisation** section:
 - ▶ For **Sector**, select 'Early Childhood Education', 'School Education' or 'Other Education' (depending on where you work).
 - ▶ For **Service Type** and **Organisation Type**, select an option under heading 'Early Childhood', 'School Education' or 'Other Education'.

Log in to your account

- ▶ Once you have successfully created an account, you will receive an account confirmation email. Check your junk or spam folder in case it appears there.
- ▶ Confirm your account by clicking on the link in the email.
- ▶ Log in to the online learning system and register for Child Link User training (details on the next page).

Access Child Link User Training

Before you can access Child Link, you need to complete training in the Information Sharing and MARAM Reforms (Information Sharing training), as well as Child Link. Information Sharing training is required to understand how information can be legally and safely shared using the Child Information Sharing Scheme (CISS) and Child Link.

Two training options are available for Education workforces. Please follow the steps below to ensure you enrol in the correct training course.

Decide which course is correct for you

Have you previously completed Information Sharing and Family Violence Reforms training? This includes:

- ▶ Education Professionals
- ▶ Education Leaders
- ▶ Department of Education (DE) Regional Professionals
- ▶ Webinar: Information Sharing for Education Workforces
- ▶ eLearn: Information Sharing for Education Workforces

If you think you have completed information sharing training but it is not showing on the **My courses** screen, please contact the Information Sharing and MARAM Enquiry Line by email (cisandfvis@education.vic.gov.au) or phone (1800 549 646).

If your answer is **YES, I have completed an Information Sharing course**, go to [Option 1](#) to enrol in Child Link User Training.

If your answer is **NO, I have not completed an Information Sharing course**, go to [Option 2](#) to enrol in Info Sharing + Child Link for Education Workforces. This course combines Information Sharing training and Child Link training into one session.

Option 1: Access Child Link User Training

Choose this option **only** if you have already completed Information Sharing training (i.e., Education Professionals, Education Leaders, DE Regional Professionals, Webinar: Information Sharing for Education Workforces or eLearn: Information Sharing for Education Workforces).

If you have not completed an information sharing training course, go to [Option 2](#).

Enter the Child Link Training page

From the **Home page**, click the **Child Link Training** tile as shown in the image below.

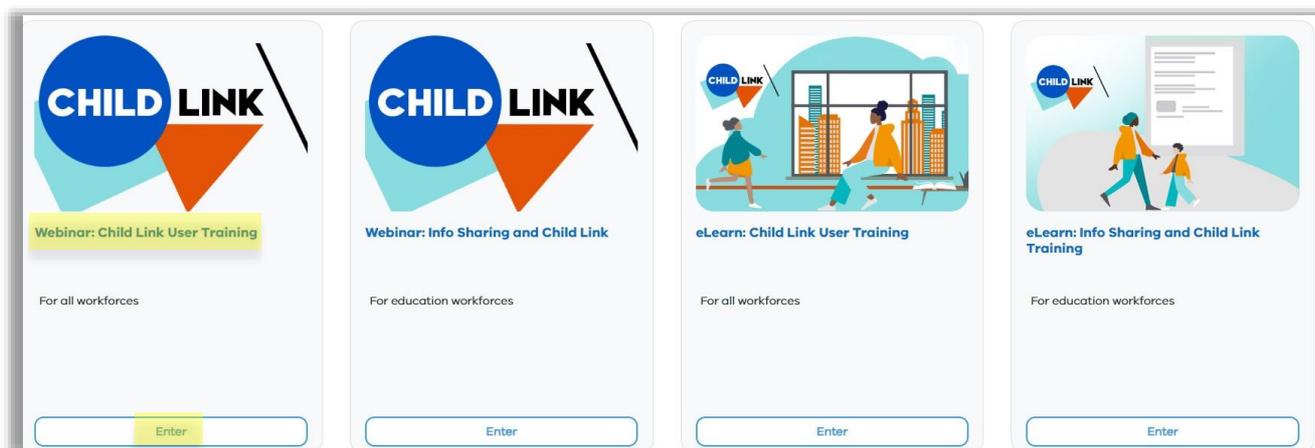

You can choose to complete Child Link training via [webinar \(Option A\)](#) or [eLearn \(Option B\)](#)

Please note that you only need to complete one of these options as they are equivalent courses that cover the same content.

Option A: Sign-up for Webinar: Child Link User Training

Step 1: To sign up for a webinar, click the **Enter** button on the **Webinar: Child Link User Training** tile.

Step 2: On the **Child Link User Training Welcome** page, scroll to the heading **Child Link Webinar** and click the link that says, '[Please click here to pick an upcoming session](#)'. This will display a page that lists all upcoming sessions.

Step 3: Choose your preferred Child Link Webinar session as demonstrated in the image below and select 'Sign-up':
